## **IOTA 03 → 03 | 18:42 | 3. Reading & Decision:**

### **Budget 2026\_27 (Finance)**

#### **Motion Text**

Hi,

Attached is the latest draft of the budget for the coming fiscal year 2026/27. I'm submitting it in Willi's absence. Of course, I was solely responsible for preparing it; Lucca had nothing to do with it, yes, yes.

Best regards,  
Nele

**Addendum:** Attached you will find the latest version of the budget at the time the meeting materials were prepared.

#### **Discussion**

- **Nele** explains that further adjustments had to be made due to an increase in insurance premiums.
- **Niklas** wonders whether the draft was sent via the MoStuCo distribution list, given the number of recipients.
- Several people confirm this.
- **Nele** explains that the volunteer reception takes care of its own financial support.
- **Levke** explains that we are very early with the new budget. The budget does not normally come in December, but always in the new year at the earliest.
- **Willi** reports on the changes to the rules governing the quorum required for the adoption of the budget.
- **Niklas** discusses his opinion on the interpretation of the amended rules and, in response to questions from several members of the Student Council, explains the timeline leading up to the announcement of the rule changes and the exchange with the Legal Department on the subject.

**Draft Resolution:** The Student Council of the FSU Jena adopts this budget for the financial year 2026/27.

**Voting:** 18 Yes / 0 No / 0 Abstention

**accepted**

- **Nele** expresses her gratitude for the successful decision, as it means we can finally meet the legal deadline. The preparation and adoption of the budget has caused problems in previous years, but this time it went very well.

**Point of Order** from **Klara Wilde**: Advance from OLD IOTA 11.

**no objection, Point of Order accepted**

## IOTA 11 → 04 | 19:01 | Discussion & Decision: Release of Funds M-KOM-010-2025\_26 – Filmscreening (FSR History)

### Motion Text

Hello everyone,

The FSRs History and KuFi (art history and cinematography) would like to organize a screening of the historical feature film “Das Verschwinden des Joseph Mengele” (2025) on January 27, 2026, together with the cinema Kino am Schillerhof and the Arbeitskreis Sprechende Vergangenheit e.V., followed by a panel discussion. The FSR-Kom has approved the release of funds for this event (21/0/3). Further details can be found in the public meeting materials.

Best regards,  
The Executive Board

### Discussion

- The motion is presented by **Tobias from the History Student Department Council**.
- **Stefan** thinks the event is great and recommends the film to everyone.
- **Niklas** asks whether the Arbeitskreis Sprechende Vergangenheit e.V. is a city working group or an association. It was said that it would be a collaboration with the university. He asks why the university is not contributing anything. He also cannot understand why the event is to take place at the Schillerhof and not somewhere else.
- **Tobias** explains that they could also show it in Lecture Hall 1, but it would also be for people from the city and it is more comfortable in a cinema. He believes that such a film on such a serious subject deserves the appropriate quality and atmosphere.
- **Levke** thinks that it would also be nicer if it were shown in a public setting rather than in a lecture hall.
- **Bennet** agrees with Levke and thinks that eventhough the event is mainly for Student Department, it would be better to hold it outside the lecture hall, even with the small number of people.
- **Niklas** asks whether the release of funds has already been reviewed by the finance department.
- **Nele** replies that it has not.
- **Levke** expresses a positive opinion of the project and recommends it.

**Amendment from Niklas Menge:** Add to the resolution text “subject to positive review by the budget management.”

**accepted by the applicant**

**Draft Resolution:** The Student Council of the FSU Jena decides M-KOM-010-2025\_26 in the amount of € 722 from budget item A.01.35 20-cent pot (FSR-Kom) for the film screening “Das Verschwinden des Joseph Mengele” followed by a panel discussion on January 27, 2026, subject to positive review by the budget management.

**Voting:** 17 Yes / 0 No / 1 Abstention

**accepted**

**Point of Order from Klara Wilde:** Advance from OLD IOTA 12.

**no objection, Point of Order accepted**

## IOTA 12 → 05 | 19:15 | Discussion & Decision: Nightline (Executive Board)

Hello everyone,

During the last term of office, we already discussed the introduction of a Nightline in Jena. Planning and setup are now well underway, and we would like to discuss whether and how we want to support the Nightline in the future.

To help you prepare and refresh your memory, here is some information about the Nightline:

- Nightlines are listening and information hotlines run by students for students, now offering support and a sympathetic ear across Europe.
- The hotlines are usually staffed in the evenings between 9 p.m. and 1 a.m., when students are most likely to experience anxiety and worry.
- The Nightline in Leipzig regularly receives calls from Jena. This shows that there is a lack of comparable services in Jena.
- A founding team is currently working on setting up Nightline Jena as part of a course at the university.
- Link to the Europe-wide website: <https://nightlines.eu/>
- You can find a flyer for Nightline Jena in the appendix.

### Discussion

- The project is presented by **Susan**.
- There will be discussion of the possibility of affiliating Nightline with the student body, for example in the form of a working group similar to the one for compensating disadvantages.
- Options for managing funds will also be discussed. If Nightline remains external, the funds could not easily flow through the StuCo accounts. If it becomes a StuCo structure, the stricter regulations on signing authorizations and accounting could complicate matters.
- **Levke** proposes starting as a working group and becoming a university group or association in the future.

*Oskar Lemke is entering the session at 19:30.*

- **Susan** believes that the effort involved in founding an association could deter volunteers in the initial phase.
- **Marcus** suggests using the StuCo room in HadM for Nightline.
- **Klara** is against this, as the StuWe is unlikely to be willing to give Nightline keys to the building.
- **Bennet** points out that the building closes at 10 p.m. and the security guard comes. This could lead to problems.
- The (im)possibility of finding other premises in the city is discussed. The workroom is also suggested, but is considered critical for data protection reasons.

- A consensus is reached to ask the departments which one would like to spin off a Nightline working group.

**Point of Order from Klara Wilde:** Moved from OLD IOTA 13 to after the board election.

**no objection, Point of Order accepted**

**Amendment from Andreas Bagehorn:** Change the text of the resolution to "...is in favor of cooperation with Nightline Jena."

**accepted by the applicant**

**Draft Resolution:** The Student Council of the FSU Jena is in favor of cooperation with Nightline Jena.

**Voting:** 18 Yes / 0 No / 0 Abstention

**accepted**

*Tobias Jentho is leaving the session at 19:46.*

*Susan Müller is leaving the session at 19:46.*

## **IOTA 04 → 06 | 19:46 | Discussion & Election: Executive Board (Executive Board)**

### **Motion Text**

Hello everyone,

I'm sure you've been sorely missing the IOTA.

You know how it is: there are two of us on the board, but there should be three.

Who would like to join us?

Best regards,

The Executive Board

### **Discussion**

- **Andreas** proposes Marcus, who accepts the nomination but explains that he can only fill the position until March.
- Appeals are made to support Klara and Chiara on the board, but not to blame the plenary.
- **Paul** would like the executive board to take a position on Marcus' proposal.
- **Klara** explains that Marcus would be "new" to his main tasks at the time due to major restructuring in day-to-day business. However, a discussion with Marcus took place prior to the meeting, so he is aware of this.
- There is discussion about whether people can already be found for the board positions in the summer. An amendment to the articles of association to allow for more people on the board is also discussed.

*Peter is entering the session at 19:59.*

### **Election**

**Mandate Review and Counting Commission** consisting of **Akin Rosenkranz, Peter Wiemuth and Stefan Huber**

**no objections**

**Draft Resolution:** The Student Council of the FSU Jena elects Marcus Hansen as a member of the executive board.

**Voting:** 16 Yes / 0 No / 2 Abstention / 0 Invalid

**elected, accepts the election**

## **IOTA 13 → 07 | 20:12 | Discussion:**

### **Presentation of the PACÁ project – Puente Académico Colombo-Alemán (Oskar Lemke)**

#### **Motion Text**

Hello everyone,

The PACÁ – Puente Académico Colombo-Alemán project has asked if it could introduce itself at a StuCo meeting.

PACÁ is a Colombian-German student project based at the Universidad del Valle in Cali. Among other things, they organize excursions.

Best regards,  
The Executive Board

#### **Discussion**

- PACÁ is presented by **Oskar**.
- The order in “Colombian-German” is important, as this initiative originated in Colombia.

*Jan Haedicke is leaving the session at 20:15.*

- **Paul** explains that they should contact the university communications department if they want to start their own university group.

**Point of Order from Bennet Hartung:** Advancing OLD IOTA 06.

**no objection, Point of Order accepted**

*Minou Dittmann is leaving the session at 20:20.*

*Akrin Rosenkranz is leaving the session at 20:20.*

*Dario Holz is leaving the session at 20:30.*

**Mandate Review and Counting Commission** consisting of **Marcus Hansen, Levke Jansen und Stefan Huber**

**no objections**

**Draft Resolution:** The Student Council of the FSU Jena elects Peter Wiemuth as the new managing director.

**Voting:** 7 Yes / 1 No / 8 Abstention / 0 Invalid

**elected, accepts the election**

## **IOTA 05 → 09 | 21:23 | Discussion & Decision:**

### **Confidential advisors (Executive Board)**

#### **Motion Text**

Hello everyone,

We still want to fill the positions of representatives.

We introduced this concept during the last term of office, and it proved to be very helpful and valuable. That is why we would like to fill these positions again.

Best regards,

The Executive Board

#### **Discussion**

- So far, no one from the FSRe and departments has come forward. This could also be due to an email that was recently found in the drafts.
- **Katharina** is standing up on behalf of the StuCo. Supported by Levke as another previous representative, she answers questions from the plenary.

**Amendment from Andreas Bagehorn:** Replace the first underscore with “Katharina Gabriel” and delete the other two resolution texts.

**accepted by the applicant**

**Point of Order from Andreas Bagehorn:** Secret ballot.

**no objection, Point of Order accepted**

**Mandate Review and Counting Commission** consisting of Levke Jansen, John Kaube und Stefan Huber

**elected, accepts election**

*Peter Wiemuth is leaving the session at 21:30.*

## **IOTA 07 → 10 | 21:34 | Discussion & Decision:**

### **Dismissal of KV Willi Kröning (Niklas Menge)**

#### **Motion Text**

Good evening,

Following the discussion at the meeting, there should be a separation of powers. I would like to fulfill my duty as an elected representative and strengthen democratic structures, and therefore logically propose a motion to dismiss Willi Kröning, the treasurer.

#### **Reason:**

As discussed at the StuCo meeting on November 11, there should be a separation of powers within the StuCo, particularly between legal representation to external parties and financial responsibility. Since Willi Kröning has not agreed to proactively bring about such a separation, I believe there is no alternative but to vote him out of office.

Best regards,  
Niklas Menge

#### **Discussion**

- **Niklas** presents the motion and explains further reasons.
- **Bennet** asks whether the vote of no confidence should remain in place after Willi's resignation, or whether Niklas simply wants a general debate on the issue, in which case he would prefer to have the latter as a separate agenda item.

**Point of Order from Levke Jansen:** non-consideration

**no objection, Point of Order accepted**

*Katharina Gabriel is leaving the session at 21:46.*

*Bennet Hartung is leaving the session at 21:46.*

**IOTA 08 → 11 | 21:46 | Discussion & Decision: Release of Funds  
M-STURA-006-2025\_26 – AE KV Willi Kröning [Follow-up decision]  
(Willi Kröning)**

**Motion Text**

Hey,

Yeah, well, um, I can't read. But I'd still like to have the AE in full, so €3 600. So just start over, yeah! The PDF is still the same.

GaLieGrü

Willi

**Discussion**

- Willi explains the copy-paste error that made the subsequent decision necessary.

**Draft Resolution:** The Student Council of the FSU Jena decides to increase the release of funds M-STURA-006-2025\_26 to €3 600.

**Voting:** 10 Yes / 1 No / 1 Abstention

**accepted**

## **IOTA 09 → 12 | 21:49 | Discussion & Decision: Release of Funds M-STURA-22-2025\_26 – Adobe license renewal (Executive Board)**

### **Motion Text**

Dear all,

Akrützel needs a new Adobe license to create individual Akrützel issues.

We would like to extend the Creative Cloud contract. You can find the offer and all further details in the release of funds.

Best regards

The Executive Board

### **Discussion**

- **Willi** explains that Akrützel is designed with the Adobe license and therefore needs it.
- **Stefan** asks whether it is possible to switch to free programs.
- It is assumed that comparable free programs would not meet Akrützel's requirements.

**Draft Resolution:** The Student Council of the FSU Jena Approves the release of funds M-STURA-022-2025\_26 in the amount of € 392.70 from budget item A.09.01.3.1 for the Adobe Creative Cloud license renewal.

**Voting:** 12 Yes / 0 No / 1 Abstention

**accepted**

Best regards

The Executive Board

### **Discussion**

- **Willi** presents the motion.
- **Niklas** has a question about the use of the financial plan template.

**Draft Resolution:** The Student Council of the FSU Jena approves M-KOM-006-2025\_26 in the amount of € 250 from budget item A.01.35 20-cent pot (FSR-Kom) for the BuFaTa “MeStuTa” WiSe 2025/26 in Duisburg-Essen from November 20 to November 23, 2025.

**accepted**

**IOTA 14 → 14 | 21:55 | Discussion & Decision:****Work ban for Klara and Chiara on Sundays and public holidays (Willi Kröning)****Motion Text**

Dear MoStuCo,

Unfortunately, I was unable to relieve Klara and Chiara as much as I had hoped. At the same time, there is a motion to dismiss me as treasurer. I have always had a clear preference for finance, which is why I am resigning from my position on the executive board at the end of November 26, 2025.

Now for the (also important) fun motion: Due to the fact that I have been spending a lot of time in the office since the beginning of this term, my FSR decided at its meeting on October 30, at Klara's request, to ban me from working on all Sundays and public holidays. And I would like to put an end to this blatant injustice that Klara and Chiara are allowed to work all week and want to kick me out on Sundays (I was even carried out of the office by my FSR once!). The board must implement the decisions of the StuCo muhahahaha.

But let's be honest, the two of them are working their asses off and doing the work of three people between them. We can't let them burn out, because then we'll have to fill more than just one position on the board. So pull yourselves together and check your calendars. The election for the board is not just about preventing the StuCo from disbanding, but about fulfilling the tasks of the board!

GaLieGrü

Willi

**Discussion**

- **Willi** presents the motion.
- **Marcus** speaks out against a work ban and in favor of a 5-day week.

**amendment** from **Marcus Hansen**: Change the wording of the resolution to "The StuCo of FSU Jena resolves that members of the executive committee and finances may work a maximum of five days per week."

**Voting:** 7 Yes / 3 No / 4 Abstention

**accepted**

**Draft Resolution:** The Student Council of the FSU Jena decides that members of the executive committee and finances may work a maximum of five days per week.

**Voting:** 0 Yes / 8 No / 4 Abstention

**rejected**

*Lenard Thost is leaving the session at 22:05.*
